METROPOLITAN INSURANCE COMPANY, INC.
SUSTAINABILITY REPORT
For the Year Ended December 31, 2025

Metropolitan Insurance Company, Inc. (MICI) recognizes the importance of sustainable business practices and responsible corporate governance in achieving long-term growth and providing quality service to its policyholders and stakeholders.

1. Corporate Governance

MICI is committed to maintaining transparency, accountability, integrity, and compliance with applicable laws and regulations. The Board of Directors and Management oversee the Company's governance, risk management, and internal control practices.

2. Environmental Responsibility

As an office-based organization, Metropolitan Insurance Company, Inc. (MICI) recognizes its responsibility to minimize the environmental impact of its daily operations. The Company promotes the responsible use of office resources and encourages employees to observe environmentally friendly practices in the workplace.

MICI aims to reduce unnecessary paper consumption by utilizing electronic documents, digital records, and electronic communications whenever practical. Employees are encouraged to print documents only when necessary and to maximize the use of digital files and other electronic means of communication.

The Company also promotes the efficient use of electricity and other office resources. Employees are encouraged to turn off lights, air-conditioning units, computers, and other office equipment when not in use, as appropriate. These practices help conserve energy and promote greater efficiency in the workplace.

In addition, MICI encourages proper waste management and disposal within its office premises. Employees are reminded to maintain cleanliness, minimize unnecessary waste, and properly dispose of office materials.

Through these practices, MICI continues to promote environmental awareness among its employees and incorporate simple but practical sustainability measures into its day-to-day operations. The Company remains committed to identifying additional opportunities to improve resource efficiency and reduce its environmental footprint.

3. Employees

Metropolitan Insurance Company, Inc. (MICI) recognizes that its employees are an important part of the Company's continued success. The Company is committed to maintaining a safe, respectful,

inclusive, and professional workplace where employees are treated fairly and with respect. MICI promotes a positive working environment that encourages teamwork, professionalism, accountability, and open communication among employees and management.

The Company supports the continuous learning and development of its employees by providing opportunities for training, seminars, orientations, and other relevant learning activities. These initiatives are intended to enhance employees' knowledge, skills, and competencies and to help them perform their respective duties effectively. MICI encourages employees to continuously improve their professional capabilities and remain updated on matters relevant to their roles and responsibilities.

MICI also emphasizes the importance of compliance with Company policies, ethical standards, and workplace health and safety requirements. Employees are expected to conduct themselves with integrity, professionalism, and respect in carrying out their duties. Through these practices, the Company aims to promote employee well-being, strengthen workplace relationships, and maintain a productive and responsible workforce.

4. Customers and Policyholders

MICI is committed to providing fair, professional, reliable, and responsive service to its policyholders and customers. The Company strives to understand and address the needs and concerns of its customers by providing clear and timely information regarding insurance policies, coverage, claims, and other related matters. MICI encourages proper communication and prompt attention to customer inquiries and concerns to help ensure a positive and satisfactory customer experience.

The Company also recognizes the importance of protecting the personal and confidential information entrusted to it by its policyholders and customers. MICI maintains appropriate policies and procedures for the proper handling, safeguarding, and confidentiality of customer information. In carrying out its operations, the Company strives to comply with applicable insurance laws, regulations, and regulatory requirements, while continuously improving its service processes and maintaining high standards of professionalism and integrity.

5. Risk Management

MICI maintains risk management and internal control processes to identify, assess, monitor, and manage risks that may affect the Company's operations, financial condition, and ability to meet its obligations to policyholders and other stakeholders. The Company recognizes that effective risk management is an important part of maintaining a stable and sustainable insurance business. Appropriate controls and procedures are implemented to help manage operational, financial, compliance, and other business risks, while supporting sound decision-making and responsible management of the Company's resources.
